EN 149:2001+A1:2009 / Type 2

These products meet the requirements of the following Protective Clothing standards:
EN 340:2003
EN 1073-2:2002 (Type 2)
EN 14605:2005 + A1:2009 (Type 5 & 6)
EN 13034:2005 + A1:2009 (Type 6)
EN 1073-2:2002 (Type 2)
EN 14126:2003 (Type 3/4, 5 & 6)

This product is used to help protect the wearer against solid airborne particulates and certain limited liquid aerosols (Type 2).

WARNINGS AND LIMITATIONS

⚠ **Particular attention should be given to warning statements where indicated.**

⚠ **WARNING**
- Always be sure that the complete product is:
  - Correctly selected
  - Used correctly
  - Worn during all periods of exposure.
- Failure to do so could result in:
  - Proper selection, training, and appropriate maintenance are essential in order for the product to help protect the wearer.
  - Do not modify or misuse this device. Modification or misuse may affect the performance of the device and the ability of the device to protect the wearer. Misuse includes failure to follow instructions for use, cleaning, maintenance, storage and limitations.
  - Do not use in explosive atmospheres.
  - Do not use in oxygen-enriched atmospheres.
  - Do not use if you are allergic to any of the materials in the masks/filters.
  - Do not use if you have any respiratory ailment that may affect breathing.
  - Do not use if you have facial hair that comes between the sealing surface of the mask and the face or that affects valve function.
  - Do not use if you have any eye irritation.
  - Do not use if you have any skin irritation.
  - Do not use if you have any head injuries.
  - Do not use if you have any other medical conditions that may affect your ability to wear this product.
  - Do not use if you have any other conditions that may affect your ability to wear this product.
  - Do not use if you have any other conditions that may affect your ability to wear this product.
  - Do not use if you have any other
